FOOD SAFETY & ENERGY CONSERVATION.

Unified Brands' vision is to be the world class provider of foodservice equipment solutions and systems that makes possible, safe and nourishing foods for people around the world.

THE ENVIROSAFE STANDARD

At Unified Brands, we believe that utility conservation and energy efficiency are paramount to protecting our environment and ensuring the safety of food supplies for future generations. That's why select products in the Avtec, Groen and Randell product lines bear the ENVIROSAFE Standard mark of distinction. Because they've been rigorously tested and proven to **exceed standards** of environmental and food safety excellence.

ENVIROSAFE Standard Mark

FOCUSED ON FOOD SAFETY.

Products meeting the ENVIROSAFE Standard are manufactured using durable, non-toxic materials to cook and/or hold food safely, meeting exacting requirements for precise temperature control, ease-of-cleaning and sanitation effectiveness.

SAVE ENERGY. SAVE THE ENVIRONMENT.

Unified Brands is committed to the responsible conservation of our planet's natural resources. So you can rest assured that each and every one of our products bearing the ENVIROSAFE Standard mark of distinction have been designed to use significantly less energy, and cost less to operate, than other products in the same category – without sacrificing performance or food safety.

THE ENVIROSAFE ADVANTAGE.

- Energy efficiency
- Qualify for government rebates and incentives
- Ensure the safety of your food products
